Supplemental Information

Several Nuance products listed above have already been announced as EOL by the vendor, and Genesys is updating our systems accordingly.

Migration & Entitlement

For products that have a migration path, customers on active maintenance will need to submit a request to Genesys licensing for upgrade.

For products that are in complete retirement, there will be no entitlement. Please contact your Account Executive or Partner Manager for information about alternative solution.

Some products denoted as 'upg' are used to track the conversion of licenses from one Tier level to another, or, to add additional voices or languages. Refer to the subsequent tier as indicated for migration entitlement options.

For example:

If a customer initially is licensed for 10 ports of: HA – Nuance Recognizer 10 – Tier 2 – 2nd Lang Lab And they move forward with a purchase of 10 ports of: HA - Nuance Recognizer 10 - Tier 2-Tier 3 - 2nd Lang Lab Upg Then, they have upgraded their initial ports to Tier 3: HA – Nuance Recognizer 10 – Tier 3 – 2nd Lang Lab So, they will follow the entitlement path for: HA – Nuance Recognizer 10 – Tier 3 – 2nd Lang Lab

For details, please refer to the Affected Products & Migration Path section (Page 5) in this document.

Definitions End of Life Announcement Date

This is a general announcement, announcing the Last Order Date ("LOD") of commercially available Genesys products, and the corresponding EOM and EOS dates.

From the EOL Announcement date onwards, it will no longer be possible to quote product(s) or Maintenance and Support on the EOL products to new Customers.

Up until LOD it will still be possible to quote add-on Orders for additional Seats (or such other previously Ordered License Unit Type/License Element), or Maintenance and Support renewals for Customers who already have the applicable EOL product(s) installed.

Notwithstanding the foregoing, outstanding quotes issued **prior** to the EOL Announcement date will be honoured until expiration of their validity date

Last Order Date

The ultimate date on which any additional Units of an EOL product can be ordered. From and after the LOD, no new guotes for such Units will be issued or accepted.

End of Maintenance Date

From this date, no Releases (e.g. fixes, updates, etc.) will be available for an EOL product.

End of Support Date

From this date, all Genesys Maintenance and Support obligations will be ceased.
